

NEA EDCommunities – Professional Practice Communities

Where great minds are inspired – Connect. Collaborate. Share. Learn.

FREE AND OPEN TO ALL, the EDCommunities for Professional Practice is the place online where educators, school support professionals and community members join forces to improve student success. A variety of groups address diverse education issues—from Illinois Education Matters, PARCC, Common Core, to school bullying, National Board certification to safe and healthy schools, ESP hot issues to flipped classrooms.

You can also form a group of your own to advocate and collaborate on an issue near and dear to your heart.
